SUMMER SERIES

JULY 10-13, 2025 TOURNAMENT RULES

- 1) There is no new inning after 2 hours and 10 minutes in all games, except the July 13th games on championship day.
- 2) There is an 8 run rule after 5 innings and a 12 run rule after 4 innings in all games, except the July 13th championship game, unless otherwise agreed on by both coaches and umpires during the pregame meeting.
- 3) There is a pro DH rule where the pitcher is the only position that can be DHed for. Each team is also allowed an EH that can also be used freely subbed defensively.
- 4) There are no set pitch count limits or inning limits. I trust that all the coaches in this tourney will have player safety and arm care held above anything else.
- 5) A slide and avoid rule will be enforced. Runner must be within arm's length of the base.
- 6) The home team book is the official game book.
- 7) Metal spikes can not be worn at WSU on any of the surfaces. Please make sure coaches are on top of this
- 8) Courtesy runners are allowed for catchers only, but not mandatory.
- 9) There is no re-entry for a player removed from the lineup.
- 10) There are -3 restrictions for all bats. Bats must be BBCore Certified. All non -3 bats will be excluded from tournament competition.
- 11) This is a 19-under tournament. Eligible players must have been born on or after January 1st, 2006. Any player born before this date is not eligible. Please be prepared to show verification of player age if questioned. Ineligible players participating in tournament games will result in forfeiture of those games participated in.
- 12) The American League Big Book covers all rules not discussed here. Ejections and player/coach returns will be subject to the tournament director and the head official for the weekend.
- 13) Absolutely NO sunflower seeds are allowed on the field or in the dugout at any site as we're working to avoid the players spitting at any time while in close contact to one another. Masks are required in dugouts, so eating and spitting seeds shouldn't happen anyways. ABSOLUTLEY NO SUNFLOWER SEEDS are allowed on any of the turf surfaces at WSU or in the dugouts. Seeds aren't allowed for any player, but anyone choosing to eat and spit sunflower seeds at WSU will subject their team to a \$50 fine and will need to be paid before playing your next game.
- 14) Team listed first for each pool play game is home team and will occupy third base dugout. If playing the first game of a DH, please stay in the same dugout even if home/visitor switch.
- 15) Sundays matchups, each pool will have a #1 seed that will advance to a predetermined semi-final game. The highest ranked overall #2 seed from each of the three pools will advance and automatically be the #4 seed for the Sunday semi-final games. In the event that the #1 and #4 seeds come from the same pool, the #4 and #3 overall seeds will flip spots for the Sunday semi-finals to ensure teams from the same pool don't play a second time until the championship game.
- 16) Tie breakers are in the following order:
 - a) Head to head
 - b) Least runs allowed
 - c) Most runs scored
 - d) Coin flip

*In the case of a three-way tie, after the following order of tie breakers, when one winner is determined, the order of betweening the remaining two teams is then determined by returning to head to head if applicable.

TOURNAMENT EXTRAS

- **Weather or other extenuating circumstances, such as smoke, that occur during tournament play that limit the number of games played will determine the following refund:**
 - **1 game played = 50% refund**
 - **2 games or more played = no refund**
- **Cages can be utilized at Colfax's McDonald Park, but not at WSU. Each team will have access to a cage on their respective sides. If our local youth teams are using the softball cages, the main cage schedule will go as follows; home team 1:15 mins prior to the games start time and the away team :45 mins prior to the games start time. The same cage schedule will be used for any games played at Pullman High Schools, Quann Field. LCSC may have available indoor cages out passed the right field wall and the schedule for that is TBD. Wiffle balls will be needed at Clearwater Fields as they do not have cages. Moscow SDC Playfields has two cages, one on each side of the main field. Teams can access those on their respective sides.**
- **We will follow all health guidelines in place by the state of Washington, Whitman County and Washington State University as well as the state of Idaho, Nez Perce County and Lewis and Clark State College.**
- **NO METAL SPIKES ALLOWED AT WSU or WSU's Valley Road Playfields. This goes for any part of the facility. Metal spikes can be worn at LCSC and Colfax, but not WSU.**
- **There are no seeds allowed at WSU's Bailey Brayton, WSU Valley Playfields or LCSC's Harris Field. NO EXCEPTIONS.**
- **Each team will provided a box of baseballs upon arriving at the tournament. Any additional new baseballs will be provided by the team if you run out of the courtesy box of balls from the PSS.**
- **There are no gate fees for the 2025 Palouse Summer Series. All guidelines for fans attending the game will be determined by each fields governing body and will strictly follow our states guidelines at the minimum.**
- **Alcohol and tobacco products are not allowed at any of the PSS sites and Dogs are not allowed at WSU's Bailey-Brayton Field**
- **Upon arrival each tournament may have game awards, prizes, homerun coupons, etc. The gates and site supervisors will handle distribution of those prizes, but make sure coaches and parents are also communicating as a reminder. We want to make sure those coupons are handed out.**

SUMMER SERIES

INCLEMENT WEATHER OUTLINE

- **The tournament director will make the ultimate decision to delay, reschedule, or cancel any tournament games, but not without consultation from any or all of the following: coaches from both teams, umpires, and site management personnel. Please keep in mind that it is in the best interest of all involved that the maximum number of tournament games is completed.**
- **In the event of inclement weather on any one of the tournament days, the schedule may be altered so that maximum games are played for each team as evenly as possible, with respect to the entire tournament field.**
- **In the event that inclement weather does cancel games before championship Sunday, the team(s) with the best record out of the round robin division play will be placed in the championship bracket. In the event that more than one team has the same record in round robin division play, the team(s) with the largest run differential will be placed in the championship bracket.**
- **The goal of the tournament is to ensure that the maximum number of tournament games are completed evenly by all teams and a champion is crowned on championship Sunday. The tournament director's decisions will reflect this premise.**
